ECE-RJ remains committed to being accessible to all Early Childhood Educators

It is our policy that financial capacity will not be a barrier to membership.

Specific payment arrangements may be granted to members if the dues cause undue strain on the school/congregation/institution.

First Time Member Discount for Directors is \$100

The Group Rate Dues structure applies when:

- The Director is a member of ECE-RJ
AND
- When teachers from the same school are registered at the same time

If the Director is not a member, a teacher may become a member by paying \$54 for the membership year.
